[BIHAR STUDENT CREDIT CARD SCHEME ENABLED COURSES]

Your aspirations deserve wings — and we're here to fuel your flight!

At our institution, we believe that talent should never be held back by financial barriers. Through the **Bihar Student Credit Card (BSCC) Scheme**, we are proud to support aspiring students in transforming their educational dreams into reality. This initiative, launched by the Government of Bihar, opens doors to a wide range of **industry-relevant, future-focused courses** offered by our college.

From **Pharmacy, Management** to **Computer Applications** the BSCC Scheme enables students to enrol in programs that prepare them for meaningful careers and lifelong success. With streamlined application support and personalized guidance from our campus team, the journey from aspiration to achievement becomes smoother and more accessible.

This isn't just financial aid — it's a **commitment to uplift the next generation of innovators, thinkers, and leaders**. Every eligible student with a vision for growth now has the opportunity to pursue quality education without compromise.

"With the BSCCS as your launchpad and our institution as your runway, the sky is just the beginning."
